May 22, 2020

Tejon Ranch, CA – The Outlets at Tejon is pleased to announce that following two months of closure due to the COVID-19 pandemic and stay at home order set by Governor Newsom, it will be open to be public once again on May 27, 2020. This is a phased reopening as some individual stores may open sooner than others. Guests should check the outlet website, www.TejonOutlets.com, for a list of the stores that will be open. Outlet employees are ready to return to work and look forward to serving guests once again.

The Outlets at Tejon is taking all the steps necessary to ensure the safety of its guests. The janitorial crew has conducted a thorough cleaning of the entire center. Hand-sanitizing stations have been installed throughout the center, as well as signage reminding everyone of suggested COVID-19 safety precautions such as social distancing and mask-wearing. As an additional safety precaution, the food court, Camp Tejon and all kiddie rides will remain temporarily closed. Outlet guests are encouraged to visit the numerous food options at the same exit in the Tejon Ranch Commerce Center including In-N-Out Burger, Chipotle, Starbucks, Pieology and Habit Burger.

“We have been working tirelessly to ensure the opening of the Outlets at Tejon is as safe as possible for all our guests,” says Rebecca Swiggum, marketing director of the outlets. “We look forward to providing a safe and enjoyable experience for our guests and are thrilled to welcome everyone back to enjoy the warm sun, fresh air and some healthy savings!”
